The screenshot shows the ASHP website's Professional Development section. The header is blue with the ASHP logo on the left and navigation links on the right: ASHP Foundation, About ASHP, Store, AJHP, Login, and a red 'JOIN ASHP' button. Below the header is a white navigation bar with links for PRACTICE RESOURCES, PROFESSIONAL DEVELOPMENT, MEETINGS & CONFERENCES, ADVOCACY, and MEMBER CENTER, along with a search icon. The main content area features four white cards. The 'Residency Directory' card is highlighted with a yellow circle. It contains the text: 'Search the ASHP Residency Directory for accredited PGY1, PGY2 and PGY1 & PGY2 Combined programs within the United States. Find the right Residency today!' and a link for 'RESIDENCY DIRECTORY SEARCH →'. The other cards are: 'Residency Program Directors' with a 'LEARN MORE →' link; 'Residents' with a description of ASHP residency accreditation and a 'RESIDENTS →' link; and 'Student Residency Guide' with a 'PHARMACY STUDENTS →' link.

Residency Directory

The purpose of the ASHP accreditation program is to identify and grant public recognition to practice sites having pharmacy residency training programs that have been evaluated and found to meet the qualifications of one of the Society's residency accreditations standards. Thus, accreditation of a pharmacy residency program by the Society provides a means of assurance to residency applicants that a program meets certain basic requirements and is, therefore, an acceptable site for postgraduate training in pharmacy practice in organized health care.
